- b) Potentially to companies with the Ekman Group (only)
- c) Where necessary to conduct business and on a legal basis

11 Period data is kept

- a) Per local employment/labor laws
- b) 1 year (unless hired)
- c) Per contract, per accounting, tax or business and compliance laws or per legitimate interest

12 Right to access, rectification, erasure, restrict processing and object to processing of personal data (EU only)

As a private person in the EU you have many rights regarding your personal data which is collected and stored. In summary, these include:

- a) the right to **transparency** and **access** with respect to the personal data that is stored and processed
- b) the right to **corrections** of any mistakes in the personal data and **erasure** in certain situations
- c) the right to **restriction of processing** in certain circumstances
- d) the right to **object** at any time to processing of personal data concerning you that is carried out based on our legitimate interest and you have specific reasons to object to such processing.

Forms for the above requests are available via GDPR@ekmangroup.com

13 Right to portability (EU only)

The right to data portability, i.e. to receive personal data collected about you in a structured, commonly used and machine-readable format.

Form for the above request is available via GDPR@ekmangroup.com

14 Right to lodge complaint with a Data Protection Authority (EU only)

Supervisory authorities in each EU country will monitor the processing of personal data in accordance with the GDPR and complaints should be lodged directly with them.

Further information can be found at the bottom of this Privacy Notice.

Before any complaint is lodged with the DPA, the local Ekman Personal Data Protection Administrator, as well as the Ekman Personal Data Protection Control Group, should be contacted at GDPR@ekmangroup.com.

15 Right to compensation in case of a breach (EU only)

As a private person in the EU, you have the right to claim compensation for damages caused by any potential breach of data protection legislation.

16 Security measures

Technical and organizational measures have been implemented to protect personal data against accidental or unlawful destruction, accidental loss, alteration, unauthorized disclosure or access and against all other unlawful forms of processing. These measures include, but are not limited to, the Ekman Code of Conduct, The Ekman Personal Data Protection Policy, GDPR training of personnel, Whistleblowing service, the "Ekman Code of Conduct for Business Partners", IS/IT policies, The Ekman Personal Data Protection Control Group, Ekman Data Protection Administrators worldwide, Internal audit function, Personal Data Protection Agreements (GDPR) with vendors/processors, GDPR instructions and Q&A for our personnel, consent forms, and other controls which might include passwords, backups, encryption, locks etc.

17 Questions and concerns

If you have any questions or concerns regarding protection of your personal data, please contact first the Personal Data Protection Administrator in your office (employees) or you can contact the Ekman Personal Data Protection Control Group at GDPR@ekmangroup.com.

We will make every effort to resolve any concern you may have.
